

## STEPHEN MINISTRY

Stephen Ministry is a confidential lay caring ministry that provides one-on-one Christian care to those in our congregation and community who are experiencing difficulties in their lives.

The following are some of the needs with which Stephen Ministry can help:

- Loss of a loved one
- Hospitalization
- Divorce or separation
- Job loss or crisis
- Miscarriage of infertility
- Recovery from accident or disaster
- Family challenges
- Financial difficulties
- Facing life changes

Stephen Ministers...

- are members who have received extensive training in providing emotional and spiritual care,
- reach out with God's love to people who are hurting,
- listen, care, pray, support and encourage their care receivers for as long as the need is there,
- recognize this as a confidential relationship, and
- participate in on-going supervision and continuing education.
