## SANCTUARY FLOWERS

The flowers in the sanctuary today are given to the glory of God from Rosemary and Barry Cobb.

Consider giving the flowers for Sunday worship to remember or honor loved ones or to celebrate an event, while expressing praise and thanksgiving to God. Please contact Linda Watson during business hours at 302-571-6719 or lwatson@ycst.com for available dates.

## CONGREGATIONAL CARE AND PRAYER

Please remember in your prayers:

- ❖ **Those recently hospitalized:** Eleanor Charles, Thomas Eliason, Audrey Hatfield, Judy Hoopes, Frank Pickering, Tone Truitt and Charles Uhlinger.
- ❖ **Westminster's homebound** who can no longer attend worship with us, by sending a card, saying a prayer, or visiting. This week we ask you to remember Nancy Henderer and Laura Stevens at Cokesbury.

**Westminster's Covenant Prayer Group** prays weekly for specific needs of the faith community. **You may submit a prayer request** by leaving a confidential message on 302-654-5848, ext. 335, or filling out a prayer request card (in the pew pocket) and placing it in the offering plate.

**Afghanistan and Iraq often seems far away**, and we may neglect to realize that Americans, as well as Afghans, Iraqis and members of coalition forces continue to die. As Christians, we are called to pray for the spreading of peace and justice and an end to violence. If someone in your family is serving in the military, please let us know, so that we may include that person on our prayer list. Contact Cathy Lang: 302-654-5214 ext. 129, or cathylang@wpc.org.

### This week we pray for

- Those known to the WPC Community presently serving in various locations:  
Brian Gorman, grandson of Art and Barbara Gorman  
Sam Pittman, nephew of Roland and Mary Lu Pamm
- The families of those from the U.S. who have died recently:  
Staff Sergeant Matthew C. Lewellen, age 27, of Lawrence, Kansas  
Specialist Ronald L. Murray Jr., age 23, of Bowie, Maryland  
Sergeant John W. Perry, age 30, of Stockton, California
- Those who have returned from service, possibly suffering from wounds or Post-Traumatic Stress Disorder, whose scars may be deep and long-lasting.

## WORSHIP NOTES

**All children who leave the sanctuary** after Children's Time must have a completed yellow security label on their back. If you do not find a security label in the pew pocket, you may obtain one in the Preschool Suite. This policy is for your child's protection. Thank you for your help.

**Worship Resources** – You may obtain large print hymnals and hearing devices from any usher. Worship bags for children ages 3-6 include a children's bulletin designed for them. Children's bulletins for ages 7-12 are also available from the ushers.

**Are you wearing a nametag?** Whether you are a long-time member or new to our church family, wearing a nametag provides others the opportunity to meet you, greet you by name, and for you to become more familiar with others at church. You will find nametags and markers in baskets at all major entrances.

**You may make a contribution** to Westminster Presbyterian Church by visiting our website [www.wpc.org](http://www.wpc.org) and click the "Donate Now" button or scan the QR code on your smart phone.

PRAYER OF CONFESSION

**Loving God, we confess that our faith is often small  
and we fail to trust your promise to be our strength and deliverer.  
We have doubted your assurance that you never forsake us,  
and we have been anxious and despairing when life becomes difficult.  
Whenever darkness envelops our lives,  
grant us the awareness of your loving presence  
transmitted to us through the love of others.  
Bring healing and wholeness to our lives

## Adult Education Classes This Morning

### ***Systems Theory: How Everything is Connected to Everything***

Today

Classroom 6

Facilitator: Jim Moseley

The Reverend Jim Moseley will give a brief overview of Bowen Family systems with a focus on the correlation between the role we play in our family and the role we play at church. Dr. Murray Bowen, a psychiatrist, used systems thinking to integrate knowledge of the human species as a product of evolution with knowledge from family research. A core assumption is that an emotional system that evolved over several billion years governs human relationship systems. People have a “thinking brain,” language, a complex psychology and culture, but people still do all the ordinary things other forms of life do. Knowledge of how the emotional system operates in one’s family, work, and social systems reveals new and more effective options for solving problems in each of these areas.

### ***Write to Heal: A Spiritual Practice***

Today, and January 22<sup>nd</sup>

Classroom 5

Facilitator: Joan Leof

Joan Leof is the creator of the weekly journaling group, Write to Heal, that meets at Westminster on Thursday afternoons. For three Sundays, Joan is offering free introductions to both the practice of journaling and to the value of a journaling group. If you are curious and want to know more, please join Joan this Sunday at 10:TEN, in classroom 5. Each participant will receive a packet of very helpful handouts along with all the information you need to help you decide if a journaling group is right for you.

### ***History of the Bible***

Today through May 14, 2017

Classroom 3

Facilitator: Bob Cox

Have you ever wondered where the Bible came from? Who wrote it? Why do some Christian Bibles have different books in them? Who decided which books would be included and how were they chosen? Join Bob Cox to explore these and other questions as we use video lectures, archeological discoveries, samples of key texts, and various classroom aids to follow the path of our sacred scriptures from pre-history to the digital age.
